

New Starbucks Opens In Royersford, PA

As of July 13th a new Starbucks will be opening. With the addition of tasty pastries and complicated beverages, it also brings **new jobs** for teenagers and college students.

Job Description and requirements

Some of the responsibilities that come with working at Starbucks include being a good communicator, respectful and positive, maintains a clean workspace, and provides high quality beverages. The manager of the Providence Town Center location, Ashlee Smith, commented, "We want to make sure our customers have the best experience every time they come to a store which is why it is very important that as a barista you are a person of integrity who promotes the values of Starbucks." **No** previous work experience is required as long as you have the ability to learn quickly.

Benefits:

For those luck individuals who get selected to work at this new location they are met with some great benefits on top of their \$9.47/hour salary. Some of these benefits include life insurance, vacation, free drinks during their shifts, tuition reimbursement, and commuter benefits.
